CONFORMITY NOTICE

Operation of the device (the devices) may be affected by strong static, electrical or high-frequency fields (radio installations, mobile telephones, microwaves, electrostatic discharges). If this occurs, try increasing the distance from the devices causing the interference.

FCC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Only use the recommended battery type. Never dispose of batteries in a fire and never expose them to high temperatures. Always replace old or weak batteries promptly. Keep batteries out of children's reach. As an end-user, you are legally obliged to dispose of used batteries correctly.

GESUNDHEITSRISENKEN

Bei extrem langer Benutzung von Eingabegeräten kann es zu gesundheitlichen Beschwerden wie Unbehagen oder Schmerzen kommen. Legen Sie regelmäßig Pausen ein und hölen Sie bei wiederkehrenden Problemen ärztlichen Rat ein.

KONFORMITÄTSERKLÄRUNG

Hiermit erklärt die Jöllenbeck GmbH, dass dieses Produkt konform mit den relevanten Sicherheitsbestimmungen der EU-Richtlinie 1999/5/EC ist. Die komplette Konformitätskennzeichnung können Sie auf unserer Webseite unter www.speedlink.com anfordern.
